

# Temple Isaiah Brotherhood

August 2016

Brotherhood's purpose is to enhance the feeling of social, religious, spiritual and professional community in our shul. Please lend your continued support to our work with a Brotherhood membership for the coming year.

Beyond the satisfaction of knowing that your sponsorship directly impacts the vibrancy of our temple community, we hope you will also take the opportunity personally to enjoy one or more Brotherhood-supported activities in the near future. The options range from intellectually thought provoking, to reflective, to just plain fun; from intimate and personal, to social, to family oriented. Current programs include:

- Monthly Sunday morning breakfast speaker series (\$)
- First Friday Torah study sessions
- Achim Group retreats (\$)
- Men's book group
- Open monthly social/planning meetings
- Jewish Family Movie
- Building the temple sukkah
- Brotherhood-led worship service
- Folk Coffee House (\$)
- Yom HaShoah candle program
- Temple Isaiah Red Lox softball team (\$)
- Mitzvah Day BBQ
- Family Camping Trip (\$)
- Passover Wine Tasting and Sale (\$)
- Various other efforts in support of our temple, religious school and community

Thanks to your sponsorship, most of these programs are free to everyone in our temple community (“\$” indicates that event participants cover a portion of costs). As a Brotherhood member, you also get free admission to our social events and the eight-session Sunday Breakfast Speaker Series. And perhaps it will be you who generates the spark to start a new program.

To join, simply send in the tear-off below with your check to the temple office, or come to one of our breakfast events and join there. For questions or further information, feel free to contact us at [brotherhood@templeisaiah.net](mailto:brotherhood@templeisaiah.net). We look forward to seeing you!

Sincerely,

*New to Temple Isaiah? You are entitled to a year of Brotherhood membership benefits, dues-free.*
